PRESIDENT'S REPORT

We have come to the end of another successful season. I would like to thank everyone, especially the WACUA committee for their support and commitment to umpiring in Western Australia.

I would like to think we have built on the progress made under previous President Matthew Hall in giving the association a clear direction in what its role is.

In particular, we have now developed a close relationship with the WACA competitions department and it is pleasing to see that training in co-operation with the WACA is now an integral role of the organisation.

Our numbers have increased from the previous year and it is important we put in place strategies to not only attract but retain our members. Membership of the WACUA should be regarded as essential to those who umpire in grade cricket and it is important we continue to stress the benefits and importance of what membership entails.

We had several successful meetings this year. In particular, the meeting where the Test match umpires: Nigel Llong and Ravi Sunderam attended; was particularly enjoyable. It just emphasised to me that no matter what level you officiate at; we are all Umpires together.

I would like to thank Mick Martell for his continual support of the organisation and Matthew Hall, Umpire Manager and Committee member for his continual support. His passion for the sport and umpiring in particular shone through throughout what must have been a testing time.

Cricket is changing and as an organisation we have to move with the times. I expect to see a much closer relationship with the WACA emerging, which can only be a good thing. It is clear to me that the WACA values the role the WACUA plays in umpiring and I look forward to us playing an important role in maintaining and improving the high standard we expect from our umpires.

Finally, I would like to thank all the members of the WACUA who continue to make this a vibrant and enjoyable organisation and I hope, like me, you are looking forward to a new Season.

SECRETARY'S REPORT

Thank you for your support throughout the 2015-16 season.

Once again we had a strong membership base which was reflected in the turnout at general meetings and other functions held throughout the course of the cricket year. Some events held by the WACUA this past season include the Life Members' Breakfast, the Grand Final day breakfast and the T20 Final BBQ. These occasions were well attended and enjoyed by all. It was great to see members and their families get involved throughout the season. Hopefully more family and support people will become active in the WACUA community in the future.

Wishing you all the best for the season ahead.

SECRETARY**

OBITUARIES

The Association wishes to pay tribute to Mrs. Gwen Lankester who passed away recently. She, and husband, Gordon, were regular attendees to our medal count night. She was there to present the JP Robbins Medal on behalf of her father, the renowned district umpire and administrator, JP Robbins.

Michael Radclyffe Smith

13/06/1927 – 12/01/2016

Michael Smith was born and educated in England. He saw army service at the latter end of World War II. In his youth he was a keen hockey player but was always fascinated with cricket. In 1956 he, his wife Julie, and four children migrated to Australia seeking better prospects.

A painter and decorator by profession he was never short of work during the WA housing boom. He generally worked alone, never long hours and maintained a better finish was obtained with traditional methods of the brush. Another three children were born in Western Australia.

After a couple of seasons umpiring in the Perth Mercantile Association he decided to transfer to WACA district competition. In the spring of 1980 he took the course of instruction and began a long association with that competition that year. He preferred to assist the younger player so concentrated his efforts on the lower grades.

For the next 22 seasons he stood in matches in that competition. His quiet demeanour was recognised by his peers and the board accepted his desire to stay at that level despite his good record. At the completion of the 2001-02 season he retired. Records showed he umpired 312 matches, mostly in the second and third grades. There were numerous other unofficial matches which were not recorded such as Darlot Cup and junior and senior Country Week.

Despite his English heritage his other unusual sporting participation was for the family to be the preparers of, and the banner holders at home matches for the Swan Districts Football Club.

Michael's wife pre-deceased him by some years, but all seven children - Dennis, Michael, Robert, David, Pam, Pauline and Kathie - remain in WA. Strangely his sons did not follow in his trade – they hated painting.

ANNUAL REPORT 2016

Colin John Bezant

20/04/1944 – 14/03/2016

A large family of ten Bezant children came to Perth from Albany with their parents when the youngest, Colin, was only 10. He was educated at North Inglewood and then John Forrest High School. His favourite subject was sport, especially football and cricket. On leaving school he had various junior positions and played football in the famed metropolitans junior competition.

He was residentially bound to North Perth for cricket but played with his mates until joining the district club in the mid-1960s. In only his second match he took a sensational 7/48 which suggested better things to come. However, a change in vocation meant he was unable to train regularly so could not continue playing there at first grade level.

Due to his work commitments, he was a travelling supplier, mid-week he could have been in the country. He began umpiring junior cricket and football on weekends. He was tempted to join the WACA competition in 1973 and so began a 17 season career in district cricket. After a couple of season of "apprenticeship" he graduated to first grade ranks. From the 294 matches in which he stood 167 were in firsts, and another 60 in Sunday league.

His happy-go-lucky attitude and cheery ability to get on with the players plus his good decision-making saw him elevated to first class level in 1982-83 when he umpired the visiting England team. The following season he stood in three Sheffield Shield matches.

Some changes to the Australian cricket structure saw other umpires preferred. Then some personal problems occurred in his private life so he concentrated on district cricket before retiring in 1989-90.

Commonly known as "Buzz", he liked a joke and a drink. In later life he had some health issues but still managed to play to play bowls. He left a daughter, Leona, who lives in America.

ANNUAL REPORT 2016

Alan Charles Gunn

16/09/1938 – 14/05/2016

Born and raised in South Perth, Alan was educated at Kalgoorlie and Narrogin Agricultural College. He played junior cricket in South Perth but on leaving school entered the hardware transport industry. This meant regular weekend work so could not join a cricket team on a continual basis.

He then joined the Air Force and was transferred to Melbourne. It was here that he commenced umpiring cricket, albeit in a sub-district competition. On returning to Perth in the mid-1970s he wished to continue in that field.

In 1978 he joined the WACA district competition and it was not long before it was realised he had good cricket knowledge and ability. His quiet demeanour and good decision making was well accepted by the players. Unfortunately work commitments put an end to that after the 1984-85 season. He had stood in 129 matches of which 62 were in first grade and 32 Sunday League fixtures.

On his retirement he offered his services to the Darlot Cup competition. He also umpired some mid-week, Country Week and women's matches. Former friend, Bill Wood, also persuaded him stand in another sub-district competition when he was available. This stand-in became semi-permanent until failing health over the last three years curtailed that activity.

He leaves his wife, Janet, and three daughters.

Alan Stanley Woolmer

28/10/1940 – 05/06/2016

The Woolmer family migrated from England in 1949 seeking better opportunities. Alan was educated at North Perth and Perth Boy's. He played most sports that included cricket but for enjoyment rather than higher ambitions. On leaving school he joined the banking industry. Part of his training was in Melbourne so he spent some time there.

Alan's father, Ralph, had been a cricket umpire in the club competitions in the UK and he joined the WACUA in 1962. To make it a family affair Alan followed suit beginning with juniors and graduated to senior level in 1963. After only a few matches in the lower grades he received a country posting that prevented further involvement. While in the country he began playing once more and took part in the 1965 Country Week carnival.

Soon after returning to Perth he left the bank to pursue a private business venture in the retail trade. Weekend sport was difficult to arrange. He still maintained an interest and joined the WACA to watch first-class matches.

He left the retail business and studied accountancy. On qualifying he worked for various employers. He took a great interest in his daughter's sporting development. They were keen on little athletics. As a senior official he managed the WA team to an eastern states carnival.

He leaves his wife, Val, and three daughters.

Stuart George Daultry

1947 – 26/05/2015 (aged 68)

In the summer of 1998-99 a geography lecturer from Ireland visited Perth on his summer holidays. Stu Daultry was also a leading cricket umpire in Ireland and stood in the Australia A versus Ireland match earlier in 1998.

He made himself known to the WACUA "liaison officer" Albert Richings who arranged for him to get some umpiring experience during his stay. He stood in many mid-week matches, junior and senior Country Week and even several lower grade district matches.

All of this was under some difficulty as a severe motor cycle accident had reduced the feeling of one arm. This later affected his health and he had to stand down from active service. He continued to write thought provoking article for cricket websites.

OLLY COOLEY MEDAL NIGHT

Midland-Guildford batsman Stewart Walters and Rockingham-Mandurah all-rounder Brendon Diamanti were crowned joint winners of the 2015-16 Ollly Cooley Medal.

Swans captain Walters and ex-New Zealand international Diamanti are the first joint winners in five years, when David Bandy and Matt Johnston shared the award.

For Walters, it is his second Ollly Cooley medal, having won the award in the 2006-07 season, while Diamanti becomes the second Mariner to win the gong in the past four seasons, after Craig Simmons in 2012-13.

The pair polled 15 votes, finishing ahead of Fremantle's English recruit Thomas Abell and Melville fast bowler Mark Turner on 14 votes. Winners from the other grades were:

4th Grade - ALLAN MACKLEY MEDAL	Greg Ottiaviano (MG), Tom Smith (ME), and Josh Cameron (WA)
3rd Grade - ALBERT RICHINGS MEDAL	Tony Coulson (RM)
2nd Grade - JP ROBBINS MEDAL	Jed Standing (JO), Sam Birchall (SP)
