

WACUA

Western Australian Cricket Umpires Association

**Minutes from the General Meeting on Tuesday December 17th at Perth and Tatts Bowling Club,
East Perth.**

Meeting opened at 6:42pm.

In attendance:

Apologies: Aaron Downing

Meeting was opened at 6:42pm by President. The minutes of previous meeting were circulated. Matthew Hall proposed they be accepted. Bruce Banyard requested that the attendance record be amended as he was present at meeting. Matthew Hall proposed amendment and it was carried. Matthew Hall proposed that the minutes be accepted with amendments, seconded by Dean Trigg. Motion carried.

President's Report (including Treasurer and Secretary reports):

The committee has been working hard on different topics. Formed a sub-committee to work on amendments to the Constitution which will be proposed to General Members prior to the AGM.

The Olly Cooley costs are being split between the WADCCI and the WACA so no major cost to the WACUA. Will take place on a Monday night after the season is over, date to be confirmed.

As per recent email, there has been a pay increase for the 2013-14 season. The WACUA worked hard to ensure that the pay rise occurred. Positive outcome for both WACUA members and non-WACUA members.

Have discussed WACUA membership for next year. May potentially create a membership pack which will include a shirt but nothing confirmed yet, will keep the association up to date with any developments. Membership currently stands at around 45 members, aim to increase that number to around 65.

Bank account is looking good, about \$1600 in bank.

Life Members Breakfast last Sunday went well. Big thank you to Trent Steenholdt for organising it.
