I want to start my third President's report with a quick thank you to all of those who have supported my efforts so far this season. While I have received the odd negative comment around some items like pay rates and the MOU with the WACA, it's really nice to hear from a large number of members who are really appreciative of the time, work and effort that has been not only been put in by myself, but the committee as well. This kind of feedback doesn't come around all that often so I do want to recognise it and pass on my personal gratitude! You know who you are!

As the halfway point of the season nears, I want to keep this report really brief. Not just because I keep getting told they're too long, but it's been a really busy time for me umpiring wise. So, onto bullet points!

- The pay-rate document has been reviewed by the Committee following all the feedback from the general membership. This includes not only the negative feedback but all the positive feedback too! On meeting night, the pay rates will be proposed and voted upon so if you want to have your say, please make sure you're there.
- The MOU is still progressing and we're waiting to hear from the WACA on their revised version. As promised members will see the MOU early in 2018 (at least a draft of it). It will be, if approved by the committee, proposed and vote upon at the next Annual General Meeting in July.

- The letters I've been sending out on behalf of the WACUA are now available on the website at <http://www.wacua.asn.au/information/letters/>.
- The T20 game scheduled for December 31st is likely going to be postponed due the renovations of the Kent Street square. We'll hopefully be able to get out there some time in the second half of the season or at the end.
- The Life Members breakfast was once again held on the weekend. Thanks to all those who attended.

That's it! To end on a warm and fuzzy note; Merry Christmas members and here is to a great 2018!

Trent Steenholdt.

If your name is not listed above, this is either because you have not registered yet on our online form or you have not yet made payment (if chosen to not deduct via WACA first match payment).

The above list also does not include our life members. This information is available on our website at <http://www.wacua.asn.au/about/life-members/>.

Lastly, this is the following correspondence in and out since the November Committee Meeting.

Correspondence Out:

- Letter to Todd Rann – Milestone game

Correspondence In:

- Some information from Matthew Hall about training.
- Peter Silinger from the WAFCC got back to us about the female B grade medal. They would potentially like to see one next season, but it's unlikely this season, and it's unlikely to be called the Andy Pudovskis medal.

Treasurer's Report

It's been a relatively quiet period on the financial front for the association. We've had a little cash go out for bar tabs and memorabilia to acknowledge some milestones. The money coming in has mainly been for shirts and jackets which are now almost all paid for, and some payments for people attending the life members' breakfast.

At the time of writing we haven't received membership money from the WACA but since the first batch of umpire payments has been paid I'm expecting this will come soon. The expenses we can expect before new year are meeting costs and costs associated with the umpire T20 which is tentatively planned for December 31st.

All in all we are down \$12.91 since the last meeting. The current balances are:

- \$1750.87 in our cheque account
- \$13 363.41 in our savings account
- \$20.50 in cash
- \$15 134.78 total

Thanks, and have a great Christmas everyone!
