It's the end of the season! Now is the time to get in the garden, mow the lawns, do the chores around the house before winter settles in. As that famous TV show suggests, the one I don't watch because it's too vulgar for me, winter is coming.... I'll stick with Selling Houses Australia... Great show, watching it right now.

Here is my update:

- **Annual Season Dinner** – Was a great success! For those of you who didn't come you missed out on a great night. Thanks for John our MC and Jack, Ashlee and Daniel for putting tonight together. We'll keep building on this night and make it bigger again next season. This is a key event on our calendar so please keep this in mind for next season.
- **Grand Final Breakfast** – Is all booked in and going ahead. Thank you very much to the WACA for supporting the event again this season. The date is Saturday March 24th, starting at 7:30am at the WACA Ground. Cost is \$20 per person. Please RSVP by Wednesday 14th March! If you don't RSVP, you cannot come.
- **Memorandum of Understanding** – We provided our response to the WACA on March 6th and are just waiting on the WACA to provide us with a confirmation if it's all okay or give us further response. All is tracking well so expect this really soon! We'll be voting on this at our AGM so you will have plenty of time to read and understand what it's fully about before going to the polls!
- **Olly Cooley Medal Night** – Those on our emailing list should have received the invite from the WACA directly for the WACUA Olly Cooley Medal Night. The date of this is Friday April 13th and it's really exciting that the venue this year is at the new Perth (not Optus) Stadium. Cost of the ticket is \$40 per person which you must pay us, not the WACA. Please also make sure to RSVP via secretary@wacua.asn.au.

If you're wanting to pay us, the bank details for the night are:

BSB: 126549
Account: 21946626
Bank: Bank of Queensland
Account Name: WA Cricket Umpires Association
Reference: Surname + Olly (E.g. Steenholdt Olly)
Cost: \$40 per person

- **Karen Read Medal Night** – Those on our emailing list should have also received an invitation for the Karen Read Medal Night with this night also at the new Perth (not Optus) Stadium (Wednesday, April 11th). The invite is directly from the WACA as this is their night so you're seeing the full cost of a ticket from them but I'm happy to announce that the WACUA will also subsidize the cost of this night also if you wish to attend. If you pay us \$65 per person, we'll pay the WACA the remaining \$35 for you. Details for this payment are:

BSB: 126549
Account: 21946626
Bank: Bank of Queensland
Account Name: WA Cricket Umpires Association
Reference: Surname + Karen (E.g. Steenholdt Karen)
Cost: \$65 per person

- **End of Season Survey:** You should see very soon a survey from us asking lots of questions of the season gone and the various topics that is umpiring in WA. We're hoping for everyone to answer the survey by the end of the month so a working party, formed by volunteers answering the last question in their survey with their name, can review this information and provide appropriate feedback not only to the WACUA management committee but also the WACA, WADCC and WAFCC. This survey will help us understand the need and desires of all our membership so please answer the survey when it's published as quickly and as detailed as possible.

Hvala vam!

Treasurer's Report

Hello everyone. Congratulations on making it to the end of the season! This will be my last treasurer's report until the AGM, so I'll try to make it a good one.

Firstly, don't believe everything Trent says. He wasn't watching Selling Houses Australia – it was Married At First Sight!

Thanks to everyone for paying for the end of season dinner so quickly! It's great not to have to do too much money chasing. There's only a small amount of people that still owe for the night. If that's you, please get that cash in ASAP! Thanks also to all the people who have paid for their grand final breakfast already – it makes my treasury duties very easy!

Regarding the dinner, I really enjoyed the night, so thank you to the organising committee and everyone who contributed to a wonderful evening. We overspent our budget slightly, but this was planned due to having extra funds available from not hosting a WACUA T20 earlier in the season. Ticket sales did not quite reach what was planned, which is something we can work on next year to make sure that we get the date of the dinner circulated to our members further in advance. The only bad news about the dinner is that we haven't paid the bar tab yet! We're just waiting on an invoice from the venue.

Expenses still to come this year are the grand final breakfast catering, Olly Cooley and Karen Read medal subsidies and our general meeting and AGM catering. The grand final breakfast is supported by the WACA which allows us to keep the cost of the tickets down and get more umpires and family along! I'll be posting the menu for the breakfast on the Facebook event. Let me know via treasurer@wacua.asn.au if you're not on Facebook and would like to see the menu and I will email it to you.

Here are our balances:

Cheque account - \$1417.31

Savings account - \$17,733.20

Cash - \$248.50

Total - **\$19,400.01** (down \$993.93 since the last general meeting)

As always, please ask any questions you may have.
