PRESIDENT'S REPORT

There is no doubt that no one could have predicted how the 2019-20 Season would have ended. With the coronavirus (COVID-19) pandemic spreading throughout the world, we are reminded daily, sometimes even while isolated in our homes, that our health and safety must always be the top priority. While that has meant our season came to a premature end and many finals cricket matches were not played, I don't think anyone will look back at this time with the viewpoint the wrong decision was made. Cricket is, after all, a game, and it will prevail with our lives returning to a new normal in Western Australia, learning to live with this crisis until a vaccine or cure is found.

Putting aside the coronavirus momentarily, I would like to reflect on some of the successes this season made. This season was the first season under the Memorandum of Understanding between us and the WACA. This document provided our members with the increased attention and focus from the WACA, with us welcoming Peter Parker to take on an umpiring development and training role. Combined with the alignment on events, processes and arrangements through Daniel Gibbons and the Cricket Operations Unit, this season ran behind the scenes far smoother than the seasons previously.

To highlight some of the other achievements as well:

- Our membership-base remains strong and consistent with the numbers of the season before. However, we did see many new members join us, which is exciting for the future the Association and the next generation of umpiring in WA Premier Cricket.
- We continued the use of our website to inform members of the Management Committee decisions and updates through regularly uploading minute and sharing Committee Reports.
- The Management Committee was able to continue with it's monthly meeting during locked-down periods of COVID-19 using Microsoft Teams.
- The Management Committee was able to arrange a live stream, via Facebook, in substitution to the March General Meeting which was cancelled.
- Our financial position continues to be very strong, and while COVID-19 meant many of the events that would have expenditure didn't occur, our budget forecasting was tracking very well throughout the season.

Congratulations also to everyone who surpassed milestones or made their debut this season. I hope every part of your cricket umpiring career this season has seen the Association giving you the support you're after. If it hasn't, please make sure to talk to the committee for what you need!

ANNUAL REPORT 2020

Before I talk to the next steps, I would like to thank the committee for their work this season, in particular the last few months. The stewardship from the likes of John, Wayne and Todd, along with the forward-thinking of Sean, Kirsten, Ernest and Ahmad certainly gave us an excellent level-headedness, maturity and eagerness to tackle all the things that were thrown at us this season. It certainly made the trio (myself, Andrew and Ashlee's) job a lot easier.

Season 2020-21 will launch like no other season before it because of the coronavirus. Losing Daniel Gibbons as the Match Officials Manager at the WACA is one of several challenges we'll face along the way. The strength and position of the Association and WACA relationship, however, has and will go along way to help steer us through some of these tough times. During this offseason, having worked with the transition to Luke Douglas for umpiring administration and strategy and Peter Parker for umpire development, I am optimistic for the season ahead, and the legacy of Daniel's work continues.

I am also excited to see everyone at the postponed Annual Season Dinner which is now planned as a season launch event in September, along with a combined Karen Read and Olly Cooley Medal night during the same time window. It will be a great way to kick-off the new season while celebrating the last one.

Over the coming months, if elected, I look forward to working with the committee on keeping you informed of all the latest news, changes and announcements impacting umpiring in WA Premier Cricket. Many decisions, like the Premier Cricket registration fee, are still quite fluid at this time, so it's important to get this news to you as soon as the committee is aware of it themselves.

All the best and be safe,

Trent

SECRETARY'S REPORT

The 2019-20 season certainly didn't conclude the way anyone was expecting! Despite the abrupt end due to the COVID-19 pandemic, overall the 2019-20 season was another successful year for the WACUA with our membership at 126. Our monthly meetings continued to be a popular way for members to get together, share their experiences and learn from each other. Our traditional Life Members' Breakfast at the Mantra on Hay was great, and certainly a fantastic opportunity to reminisce and share anecdotes. After the successful introduction last season, the "Back to Base" drinks again proved popular amongst WACUA members with great turnout at the events. Unfortunately, our Annual Season Dinner was cancelled due to COVID-19 restrictions however we look forward to celebrating the season gone at an event in the lead up to the 2020-21 season. As always thank you to all members for their contributions to both the Association and the game of cricket throughout the season. I hope everyone has a lovely off-season with family and friends and look forward to seeing everyone back soon for the 2020-21 season. Stay safe!

Ashlee Gibbons

WACUA Secretary

TREASURER'S REPORT

Another season gone, and with it another financial year for the Association. While the coronavirus had a devastating impact on the finances of a lot of businesses and associations, for us it meant we could not hold our end of season dinner at the WACA. The result of this has been an excess of revenue of \$2,227.47. Our budget at the start of the season saw us planning to add \$2,125 to the dinner, on top of the money that the WACA was planning to contribute through the registration fee. If we had held this event, as well as the T20 game, we would have been slightly over budget and seen a loss this season. However, we are still in discussions with the WACA about what events we may be able to hold pre-season. Depending on what next year's committee can negotiate, we may be in a position to hold two large functions instead of just one.

To summarise the numbers that you will find at the end of this report, we started the Association's financial year on 1st June 2019 with \$17,116.25. We finished on 31st May 2020 with \$19,343.72.

Once again, the finances will be up on our website. If you'd like to have a look, you can find the spreadsheet for the Association's financial year at <http://www.wacua.asn.au/information/finances/>.

Thanks for your ideas and suggestions throughout the year. I hope that the ideas keep coming in season 2020/2021.

ACKNOWLEDGMENTS

The WACUA would like to acknowledge John Sherry and Bill Reynolds for the work they've done in improving the umpiring records of all members in the past 12 months. This season marks the third consecutive season where our records have been vastly improved by the fantastic work of both John and Bill.
