Dear Christian,

On behalf of all of us at the Western Australian Cricket Umpires' Association, I want to congratulate you on your appointment to the Western Australian District Cricket Council (WADCC) Chairperson position for a two-year term. We hope your time in this position will be a successful one and with it, bring continued growth to everyone in their cricket journey here in Western Australia. Whether that be playing, in administration supporting their club(s) or umpiring the game we all love and cherish.

As the umpiring association whose members officiate your great competition, we'd like to once again as we have done so in seasons prior, offer our assistance where the WADCC and its management committee may need it. This is including but certainly not limited to helping write and maintain WADCC playing conditions via the WACA Competitions Department, assist with professional development of our umpires and help with aspects of the Olly Cooley Medal night which we continue to see grow better and better every season.

The WACUA Committee and I warmly welcome you to join any of our committee meetings this season which take place at 6pm on the first Tuesday of every month at the WACA Committee room. In addition, we also would be very welcoming if you wished to join us at our general members meetings which take place at 6.30pm on the third Tuesday of every month between October and March at the Perth Tattersalls and Bowling Club in East Perth.

Once again congratulations on your appointment. Please do not hesitate to reach out to me or the WACUA committee if there is something you may think we can help you with.

Kind Regards,
