Dear Jack,

On behalf of all of us at the Western Australian Cricket Umpires' Association, I want to thank you for your work and services to the committee last season.

Being on the State Umpiring Group and completing your university degree is a lot of work and I absolutely respect your thoughts on balancing work, life and cricket correctly. I know personally that this is a difficult task however I think you've made the right decision in giving away the WACUA committee duties. One thing I've learnt over the past 12 months is always making sure you put yourself first.

Look forward to seeing you at our next general meeting.

Kind Regards,
