Dear Jeff,

On behalf of all of us at the Western Australian Cricket Umpires' Association, I want to wish you all the best with your recovery from surgery. It was certainly not the news we wanted to hear during the off season.

If there is anything we can do or take care of during your recovery, please don't hesitate to let us know. We hope you see us as just an extension of your family during this tough period.

We hope you feel a little better each day and that you will be all ready for the upcoming season.

Kind Regards,
