Dear Justin,

On behalf of all of us at the Western Australian Cricket Umpires' Association, I want to thank you for nominating to come on the committee this season. As you may not be aware, an election was held at our 2018 Annual General Meeting last Tuesday where you were unfortunately not elected.

After the elections there was a strong, positive voice from the membership suggesting changes to our constitution to make sure that great volunteers such as yourself are not turned away in a similar fashion in the future. As President I want to make sure that this is followed through this season and appropriate work is done to make sure you or others won't miss out again.

While not officially recognised as a committee member, I would be honoured if the committee could reach out to you from time to time for your expertise and experience. One of the reasons I was excited about your nomination was your industry knowledge in particular around the RugbyWA circuit. I hear they have some amazing social events which is something I'd love to replicate in the WACUA.

If you could let me know if the new committee could reach out to you from time to time, that would be fantastic.

Needless to say, I'm very much looking forward to see you at our first general meeting this season.

Kind Regards,
