Dear Mick and the Perth Metro Property Group team,

On behalf of all of us at the Western Australian Cricket Umpires' Association, I want to thank you and the Perth Metro Property Group for your sponsorship over the past 8 cricket seasons. As our exclusive major sponsor over this time, you helped the WACUA go from the brink of ceasing to exist to a leader in Australia, if not the world. Some examples to back this up are:

- We've successfully increased our membership base from 30 to over 120 members during the period you sponsored us.
- We've become the most liked umpires' association on Social Media (Facebook) worldwide, with 2400+ fans.
- We've secured a better working relationship with the WACA/ WADCC/ WAFCC with the introduction of the Memorandum of Understanding.
- We've worked with our increased cohort and representation to receive significant pay increases for our members, with some game formats receiving more than \$50 increases in the last two seasons alone.

We owe much thanks to your support over this time and certainly won't forget how Perth Metro Property Group have supported us in the past. Many of our members have merchandise that they'll continue to wear and use for many seasons to come.

If the opportunity ever arises again, we'd welcome you back as our sponsor. In the meantime, we owe it to you to sustain our growth with the success you have set us up with over these last few seasons.

Kind Regards,
