- Observations
  - Soft signalling needs improvement. It is really important to help get through games.
  - Field restrictions – need to be constantly checking.
  - Movement to position from the bowler's end – make sure you're getting there in time.
- Overall a good start to the season.

#### **Umpire Reports:**

- John Sherry – had to remind players they need to appeal in order for a player to be given out.
- Andrew Micenko – had first 'hit wicket' incident.
- Trent Steenholdt - there is an app now for GWL calculation in the android store. Apple version is on its way.
- Ahmed Khan – 17 wides in first over!
