ANNUAL REPORT 2021

PRESIDENT'S REPORT

Well, this season was like no other for me. Firstly, I would like to thank everyone that supported me during what was probably the trickiest part of my life. This isn't just the amazing people on the committee, but all the amazing people in our membership. Your support was always on the back of my mind. I thank you for sticking by me while I took a break away from umpiring and the association this year. It's kind of weird to be typing out the President's report with what was a very different year for me!

What this season taught me is several things about myself and my plans. When I took on this role four seasons ago, I had every plan to be a ten season president. I had dreams and the ambition to make the association more robust and better. While that flame still burns as I adore this association and what it stands for, the last season put things in a bit more perspective for me. I was sacrificing a lot of my own enjoyment and fulfilment in umpiring by the increased pressure I put on myself to exceed perfection. This was further compounded by external pressures at work, at home and of course, COVID.

While my ten season plan has been cut back to just the four, it's been a fantastic journey, and the committee's I have been blessed to work with have been absolutely brilliant in supporting the journey. I know that at times, some (but certainly not all) have not agreed with our decisions, I still hold my head up high with what we have been able to achieve.

Here is just a breakdown of the achievement we've made.

- Automate with the use of technology and online forms our
 - Membership Registration,
 - Life Membership Nominations,
 - Committee Membership Nominations,
 - Merchandise Ordering,
- Use Microsoft SharePoint for the committee's data and Microsoft Teams for our committee meetings,
- Implemented fidelity to our finances, allowing us to accurately budget and forecast.
- Improved use of our website with meeting minutes published as they are approved,
- Communicated with clarity to our members with our website committee reports,
- Adopted an improved and fair payment system, with many game formats seeing substantial pay increases for the first time in a generation. E.g. Under 15's and 17's Grand Finals received a \$60 increase,
- Reinvented our merchandise, adopting our black and gold state colours. Including expanding on that, we have wheel bags, and new notebook covers on top of the jackets and shirts we usually have,

ANNUAL REPORT 2021

- The hatbands for Senior Men's First Grade umpires,
- Retaining white shirts in Senior Mens' 1st Grade red-ball cricket.
- Used survey data and took on continual feedback to have a comparable dataset of each season, so we know where we needed to improve,
- Played a large part in re-writing and supporting the WADCC and WAFCC Playing Conditions used today,
- Built a solid two-way, open and communicative relationship with the entire WACA Cricket Operations Unit,
- Handled the departure of Daniel Gibbons at the WACA exceptionally well,
- Increased participation in several social events on our calendar, particular the Back-to-Base drinks.
- Sustained a good membership count even in heigh of COVID-19,
- Navigated COVID-19 with one general meeting impacted and pivoted to a live stream on Social Media,
- Passed and continued with the Memorandum of Understanding with the WACA.

This list just shows just some of the triumphs and determination the committee of the past four seasons have had. I stand by the proclaim I made a few years ago about 'working smarter and not harder'. The work of each committee member I have worked with has been fantastic, and I couldn't have done it without you all; thank you (again)!

Next season will be an exciting one, with the first steps into what should hopefully be the post-COVID era of WA Premier Cricket umpiring. To whoever takes on this role and the other roles in the committee will receive my full support in whatever decisions they make. It's now their turn to take cricket umpiring in this state in whichever direction they would like to take!

Congratulations to everyone who surpassed milestones or made their debut this season. I hope every part of your cricket umpiring career this season has seen the association giving you the support you're after.

Lastly, as the association's sponsor (Cortana Design), I plan to continue with this in the foreseeable future. That's, of course, if the association wishes to continue with me!

It has been an absolute privilege to be your President.

Cheers,

Trent

SECRETARY'S REPORT

Whilst everyone hoped that things would be back to normal for the 2020-21 season, Covid-19 had other plans.

We started with the season launch event which doubled as the celebration of the 2019-20 season which had been postponed due to Covid. The season itself had a staggered start due to the winter sport seasons being extended and grounds not being available.

Umpires had to make unusual accommodations to their routines to ensure implementation of the Covid-19 Policy including rules around when the ball had to be cleaned and umpires not being permitted to hold bowlers' hats.

On one occasion, games were called off mid-way through day two when Perth went into a snap lockdown. This followed with a round in which umpires wore masks on field – a new experience for all of us, and hopefully one that we don't have to ever repeat!

The 2020-21 season saw a drop in WACUA membership numbers, with there being 94 registered members. Hopefully this number will pick up again in the 2021-22 season.

Despite the above, the Association, in addition to our monthly meetings which continue to be a great way for umpires to share stories and learn from each other, still put on a number of events throughout the season. These included the BBQ at Matilda Bay, the Grand Final/Life Members' Breakfast (combined this season due to there not being Test Cricket in Perth). The highlight event of the season was the Annual Dinner, held at the Point Walter Recreation and Conference Centre. The event included the celebration of the seasons' award winners, a delicious dinner, and a fun quiz! It was a fantastic night enjoyed by all who attended.

I hope everyone has an enjoyable break over the winter months and look forward to seeing everyone back for the 2021-22 season!

Ashlee Gibbons
WACUA Secretary

TREASURER'S REPORT

Season 2020-2021 brought about something quite different for the WACUA's finances compared to the last few seasons. With the 2019-2020 annual dinner being cancelled, we saw a surplus last season. We moved the spending into this season by holding a preseason dinner to replace the previous end of season dinner. On top of that, we still managed to hold our annual dinner as usual. Both events were successful and were enjoyed by those that attended.

The preseason and end of season dinners were a similar net cost to the association, totalling -\$2241 and -\$2549 respectively. The rest of our events had fairly small net losses in comparison.

The vast majority of the association's income was obtained through membership fees, with a generous amount also coming from the sponsorship of Cortana Design and the Match Official System. We also had a sponsor for our raffle prizes throughout the season, and I'd like to thank Nathan Johnstone at MTA travel for that. Raffles brought in \$662 for the season.

At the start of the financial year (1st June 2020), the association had a total of \$19,343.72 in cash. During the year we spent more than we brought in, with a net loss of \$1,233.74. That left us finishing the financial year with a total of \$18,109.98 in the bank, still above the target figure of \$15,000.

Thank you for choosing me to be your treasurer for the year. I hope to continue next season, and as always I'm open to ideas for how we should try to raise funds and how to spend them.

Andrew Micenko
WACUA Treasurer
