PRESIDENT'S REPORT

It is with great pride that I present the President's report for the WACUA covering the past year. We have successfully navigated a challenging three-year period and emerged in a stronger position, due in large part to the leadership of Past President Shane Boyle and the dedication of his committee members.

With those challenges now behind us, this season has been marked by significant achievements, most notably in securing sponsorship for the association, we thank all our sponsors for their financial support to the WACUA. This support has enabled us to bolster our financial standing and deliver increased value to our members. The events we have organised and the subsidies we have provided mean our members are receiving excellent value for their membership fees.

Our membership remains steady, with 108 financial members and, of course, our life members. Membership numbers are closely tied to the number of umpires registering to officiate in WA Premier Cricket and actively taking to the field.

In the early part of the season, our general meetings were well attended. However, after Christmas, attendance dropped off considerably. This trend raises concerns about how we can better engage with our membership going forward, particularly after Christmas.

This year, our communication with members has improved, with the appointment of James Rodgers as our communication specialist.

As a result, we have continued publishing the Over magazine, with three editions released this season. Additionally, engagement on our public Facebook page has increased dramatically, with 265 additional followers, over 200,00 people worldwide view our content, and the content received 37,000 engagements We have also ensured our website is kept current in response to member feedback.

We rebranded the Life Members Breakfast to the Umpires Test Match Breakfast. Although the test itself lasted only two days, it was encouraging to see 35 attendees, and we hope to build on this success in future years to increase its popularity.

We launched the WACUA mentoring programme, which is, in my view, vital. It builds on our fellowship model and supports umpires by offering confidential guidance and assistance with the challenges they face.

For the first time in my memory as a member, we presented the WACUA strategy document, which received overwhelming endorsement at the October general meeting. It is now the committee's responsibility to implement this strategy to the best of our ability.

Looking ahead, there is much work to be done in fulfilling the association's objectives: encouraging the highest possible standard of umpiring in Western Australia and promoting good fellowship among our members.

Our relationship with WA Premier Cricket has grown a little stronger, however there is work to do and challenges remain.

We signed a Memorandum of Understanding in September, allowing WACUA to conduct training at our general meetings. Luke Douglas, the Competitions & Operations Manager at WA Cricket was also openly invited to attend our committee meetings, fostering a more open and transparent relationship.

While the relationship is far from perfect, it has enabled us to discuss and debate the concerns raised by our members, especially regarding umpires' pay and the selection policy. These issues were highlighted in the annual survey at the end of season 2024-25 and have caused some angst among umpires in WA Premier Cricket.

It is the first time the full survey results have not been shared with the WACUA, this creates a collaborative working relationship and building of trust difficult to maintain.

Western Australia has a strong tradition of contributing umpires to the National Panel of Umpires for Cricket Australia. Unfortunately, for the past couple of seasons, we have had no representation.

Given Cricket Australia's strategic approach of appointing former first-class and Premier Cricket players to their panels, we must adapt and develop a strategy to ensure future representation.

To address this, we need to encourage former first-class and Premier Cricket players to take up umpiring by offering financial assistance in the form of a bursary, allowing them to be fast-tracked into the pathway.

In closing, I would like to extend my sincere thanks to this year's committee for their hard work and commitment. Special thanks to Wayne Barron for managing the sausage sizzle at general meetings and to James Rodgers for overseeing WACUA communications. I also thank all members who supported our events and meetings, which contributed to a successful year for the association. We can look forward to another rewarding season ahead

Matthew Hall

WACUA President

SECRETARY'S REPORT

It has been my privilege to serve as Secretary of the Western Australian Cricket Umpires' Association during the 2025/26 season.

The role of Secretary is varied and requires the effective administration of the Association to ensure the Committee can operate efficiently and transparently. Throughout the season, I was responsible for preparing agendas, recording minutes of Committee and General Meetings, managing the Association's correspondence, coordinating notices to members, and supporting the Committee in delivering the objectives of the Association.

During the season, the Committee met regularly to address matters affecting our members and the ongoing operation of the Association. I would like to thank all Committee members for their commitment, professionalism and willingness to contribute their time and expertise. Their dedication ensures that WACUA continues to provide a strong voice for cricket umpires across Western Australia.

Membership remains the strength of our Association. We welcomed new members during the season while continuing to benefit from the experience and mentorship provided by our long-serving members. It is encouraging to see emerging umpires embracing opportunities for development while experienced members continue to support the next generation.

During the year the Association continued to communicate with members through email, our website, social media channels and monthly meetings. These communication channels remain essential in keeping members informed of appointments, Association activities, social events and important cricket-related updates.

I would like to express my appreciation to our President, Vice President, Treasurer, Registrar and fellow Committee members for their support throughout my first season as Secretary. Their guidance and teamwork have made the transition into the role both enjoyable and rewarding.

A sincere thank you also goes to all our members who have represented WACUA with professionalism, integrity and respect on and off the field. Your commitment to the game of cricket and the spirit in which you officiate continues to enhance the reputation of our Association.

As we conclude the 2025/26 season, I look forward to building on the foundations established this year and continuing to improve the services and support we provide to our members.

TREASURER'S REPORT

With another successful year behind us, and with that, the legal issues also behind us, the committee has made a focus of obtaining more sponsorship to allow the WACUA to give more back to our members. With the sponsorships, the associations receipts and money in, were much better from the previous year. A big thanks to Loki from LSR Sport, Gemma Donhou from Global Travel Network, Jamie Taylor from Fencing Fix Ups, Sue Bartlett and Mark Walsh Cabinets, Dennis Smallwood, Mortgage Choice Mortgage Brokers, Stephen Farrell from SJF Work Advice and Matthew Hall, for their sponsorship. It's very important we support our sponsors to ensure we continue to have their ongoing support. Our other main source of income was the annual subscription fees, along with money raised from our raffles. There was also a lot of money in for merchandise, but also money out. This will look a lot different next year with the direct sales website in operation.

Our main costs for the year were the merchandise, our social events of the Annual presentation, our Test Match Breakfast, the AGM, the BBQs and Bar Tab at our monthly meetings.

A big thank you to John Sherry, James Hewitt, Luke Douglas and WA Cricket for their ongoing support and efforts maintaining the umpire numbers for the year and training to help umpire development. Let's hope we can continue the numbers going forward.

Our interest earned is down on last year due to the interest rates being paid being lower than the previous years.

The association made a profit for the year of $4,999.12, which can be contributed to the sponsorship. The balance as of 31 May 2026 was $19778.76. The balance is now slightly higher than our target of having $18,000 in the bank account. The coming year will see the committee looking at ways to offer more to our member base.

A general breakdown of costs can be found later in the annual report on the association's website. Let me know if you have any questions.

Thank you,

Dennis Smallwood

WACUA Treasurer

OBITUARIES

Peter McConnell

WACUA Life Member Peter McConnell 1944-2025

Peter's association with WACUA has been nothing short of exemplary. Serving as the secretary from 1976 to 1989 and as President from 1979 to 1981, Peter's dedication was unwavering. He further honoured us by serving as the WACUA patron for numerous years, showcasing his immense commitment to the organisation he cherished deeply. In recognition of his invaluable service, Peter was bestowed the honour of WACUA Life Membership in 1988 and has an umpiring medal named after him. He was made a Life Member of the WACA in 2010. In 2025 he was inducted into and the only umpire to achieve that honour the WACA's Gallery of Greats, the 38th inductee. In 2000 he received the Australian Sports Medal an award given to recognize achievements in Australian Sport. The medal is awarded by the Governor-General

Peter was not only a stalwart of umpiring in Western Australia but also the state's most decorated umpire. His illustrious career saw him officiate in an impressive array of matches: 22 Men's Test Matches, 2 Women's Test Matches, 68 One Day International Matches including the 1991/1992 World Cup held in Australia, 48 Sheffield Shield Matches, and 22 Domestic One Day Matches.

His dedication extended further, with 53 Senior female grade games, 20 Junior female games, and 62 Junior male games. Altogether, Trevor umpired a total of 286 games, a testament to his enduring passion and unwavering commitment to umpiring.

Beyond WA Premier Cricket, Trevor umpired in the WASTCA and was a familiar face in the Northern Territory throughout the winter months, lending his expertise to their cricket season. His involvement in cricket was far-reaching, with strong associations to the Peel Cricket Association, Peel Junior Cricket Association, and Rockingham Mandurah District Cricket Club. Trevor's love for the game was evident not only through his umpiring but in all aspects of cricket, and he enriched the lives of many through his enthusiasm and dedication.

Brian Pragnall

He stood in 40 matches from 1972-73 to 1976 -77 including several in first grade. Unfortunately, his work took him away from the game.
